

*designed by Niklas Jessen | 2012*

*Zappy - medium with ash veneer*

## DESIGN

*Inspired by the cone of the French pine, this lamp arouses the feel of nature and forest into your home. Zappy stands out with its soft and inviting glow. The carefully handmade lamp of ash, oak or smoked oak veneer illuminates any indoor space with sublime light quality.*

*With its delicate wooden panels and the detailed natural design, it impresses as a beautiful lighting object and will be a focal point in any room. The veneer panels of Zappy gently open or close with change of room temperature, creating different subtleties of the indirect light.*
